CEDAR CITY, UTAH – The Cave Fire was ignited at approximately 4:41 p.m. today, 10 miles southwest of Santa Clara. The cause is under investigation. The fire size is estimated to be roughly 1200 acres, burning in cheatgrass and brush. The fire is actively burning northwest, and has burned over a powerline. There are no structures threatened at this time.

The road is closed near the OMG processing plant.

Equipment on the fire includes: 22 engines, 1 helicopter, 1 heavy air tanker, 1 water tender and 2 hand crews.

There is no estimated time of containment.
